Visioncircles

Professional Development Course

A 24-Hour Learning Experience for Brain Gym® enthusiasts.

Explore the connection between the eyes and intentional movement to build the visual system.

Course Objectives

- **Learn Vision Gym:** 30+ movements to expand visual awareness, perception, and whole-body learning.
- **Experience eight Visioncircles Balances** through the Edu-K Five Step Learning Process.
- **Enhance visual awareness** through playful art, music, and movement activities.
- **Strengthen perceptual skills** through visual, auditory, vestibular, kinesthetic, and tactile experiences.
